Por defeito o Zotero on-line disponibiliza em termos de área pessoal um espaço de armazenamento de 100MB. É possível aumentarmos esta área mas ... por meio de compra.

Zotero - Armazenamento

The screenshot displays the Zotero user interface for storage management. At the top, the Zotero logo is on the left, and navigation links for 'Home', 'My Library', 'Groups', 'People', 'Documentation', 'Forums', and 'Get Involved' are in the center. A search bar is on the right. Below the navigation bar, the page title is 'Zotero Settings' and the sub-section is 'Purchase Storage'. A modal dialog box is centered on the screen with the text: 'You are about to remove all uploaded files associated with your personal library.' and buttons for 'OK' and 'Cancelar'. To the left of the dialog, under 'Zotero Settings', there are links for 'Account', 'Profile', 'C.S.', and 'Privacy', and a 'Frequently Asked Questions' link. Below that, the 'Current Storage Plan' section shows a table with 'Quota' (100 MB) and 'Current Usage' (My Library: 34.3 MB, Total: 34.3 MB, 34.3%). A 'Purge Storage' button is visible. To the right of the dialog, the 'Purchase Storage' table lists various plans with their annual prices. At the bottom right, there is a 'Checkout' button and contact information for storage@digitalscholar.org.

Zotero – para Chrome

The screenshot shows the Zotero website's documentation page for Chrome. The navigation bar includes links for Home, My Library, Groups, People, Documentation, Forums, and Get Involved. The main content area is titled "Installation Instructions" and provides a step-by-step guide for installing the Zotero Firefox extension. A video player is embedded, showing a login screen for Zotero. The "Upgrading" section is also visible, with a red box highlighting the link "Zotero 3.0 to 3.0".

Installation Instructions

To install the Zotero Firefox extension, visit [Zotero.org](#) with Firefox and click the red "Download Now" button. Click the "Zotero 3.0 for Firefox" link. If a box appears above the web page with "Firefox prevented this site (www.zotero.org) from asking you to install software on your computer.", click the "Allow" button. Then click the "Install Now" button in the "Software Installation" pop up window (the button may be greyed out for a few seconds while Firefox downloads Zotero), and restart Firefox after the installation has completed. You should now see the Zotero logo ([zotero](#)) in the status bar in the right bottom corner of your Firefox browser window.

Upgrading

By default, Firefox checks periodically for updates of installed extensions, including Zotero. Users can update extensions manually from Firefox's "Add-ons Manager". "Tools" menu → "Add-ons" → gear icon → "Check for Updates".

Note that special considerations apply when upgrading from [Zotero 3.0 to 3.0](#).

Zotero – para Chrome

The screenshot shows the Zotero website's announcement for version 3.0. The page title is "Zotero 3.0". A red box highlights the title "Zotero 3.0". Below the title, a paragraph states: "We are excited to announce the release of Zotero 3.0. Zotero 3.0 is a major update over 2.1, offering many new features and bug fixes, including:". A second red box highlights the first bullet point: "Zotero Standalone". Under this, two sub-bullets are listed: "Run Zotero as a separate program without Firefox" and "Available for Mac OS X, Windows, and Linux". A third red box highlights the link "See the 3.0 changelog for a complete list of changes." at the bottom of the list. The page also features a "Table of Contents" sidebar on the right with links for "Downloads", "Zotero for Firefox", "Zotero Standalone", and "Translations".

Zotero 3.0

We are excited to announce the release of Zotero 3.0. Zotero 3.0 is a major update over 2.1, offering many new features and bug fixes, including:

- **Zotero Standalone**
 - Run Zotero as a separate program without Firefox
 - Available for Mac OS X, Windows, and Linux
- Zotero Connectors
 - Plugins for Google Chrome and Safari and a new Standalone-compatible mode for Firefox
 - Save items directly to Standalone or to your zotero.org library
- Duplicate detection and merging
- Word processor integration improvements
 - A streamlined Add Citation dialog for quicker citing
 - Ability to edit citations directly in the word processor document
 - Sharing of word processor documents with users of Zotero and other compatible software without using Zotero groups
- New quick search bar modes
- Dragging of collections into group libraries
- Trash folders in group libraries
- Context menu option for address bar icon
 - Select alternative translators and look up items using locate engines without saving
 - Currently available only in Zotero for Firefox

See the [3.0 changelog](#) for a complete list of changes.

Downloads

Zotero is available in two configurations: Zotero for Firefox and Zotero Standalone.

Zotero for Firefox

O Zotero possibilita o download do programa para uma aplicação standalone dissociada do Firefox e que será instalada ambiente de trabalho.

Zotero – para Chrome

Zotero Standalone

- [Zotero Standalone 3.0.7 for Windows](#) (17.3 MB)
- [Zotero Standalone 3.0.7 for Mac OS X](#) (32.4 MB)
- [Zotero Standalone 3.0.7 for Linux \(x86\)](#) (18.0 MB)
- [Zotero Standalone 3.0.7 for Linux \(x86_64\)](#) (21.0 MB)

Zotero Standalone Connectors

Zotero Connectors allow you to save items to Zotero from within browsers other than Firefox, using Zotero's site translators.

- [Zotero Connector 3.0.3 for Google Chrome](#) (179 KB)
- [Zotero Connector 3.0.3 for Safari](#) (212 KB)

Additionally, Zotero 3.0 for Firefox, available above, will automatically switch into connector mode when Zotero Standalone is opened.

Word Processor Plugins for Zotero Standalone

Word processor plugins for Word and LibreOffice/OpenOffice are bundled with standalone Zotero. More information is available in the Cite pane of the Zotero preferences.

Mac users: Word integration requires Mac OS X 10.6 or later. See the [compatibility matrix](#) for more details.

Upgrading

Upgrading from Zotero 2.1

Simply install Zotero 3.0 over Zotero 2.1. The Zotero 3.0 database is backwards compatible with Zotero 2.1.

Don't want to upgrade now? You can [reinstall Zotero 2.1.10](#), but note that Zotero 2.1 is no longer supported and no longer receives translator or style updates.

Upgrading from Zotero 2.0

Install Zotero 3.0 over Zotero 2.0. After installation, Zotero will prompt you to convert your 2.0 database to the new format used by 3.0, after which you will no longer be able to use your database with Zotero 2.0. Zotero will automatically back up your database in your [Zotero data directory](#) before upgrading it.

The screenshot shows a Chrome browser window displaying the ScienceDirect website. The address bar shows the URL www.sciencedirect.com/science/journal/01406736/277/9770. The page features a navigation bar with 'SciVerse' and 'ScienceDirect' logos, and a search bar. A prominent banner for 'New society journal 2012 Pancreatology' is visible. Below this, the 'THE LANCET' logo and copyright information are shown. The main content area displays a list of articles from Volume 377, Issue 9770, dated 19-25 March 2011. A 'Zotero Data Selector' dialog box is overlaid on the article list, titled 'Select which items you'd like to add to your library'. It contains a list of article titles with checkboxes next to them, including 'Physicians as guardians of genetic knowledge', 'Japan health after the earthquake', 'The end of the one-child policy in China?', 'Shared innovations in measurement and evaluation', 'Treating facial incontinence with bulking-agent injections', 'Traumatic spinal cord injuries', 'Lessons from normal heart and respiratory rates in children', 'India: access to affordable drugs and the right to health', 'Cardiovascular safety and diabetes drug development', 'Office: Run for the shadows in these golden years', and 'Osama rescinds "quay brood" Back-era conscience rule'. The dialog box has 'Select All', 'Deselect All', 'Cancel', and 'OK' buttons. A 'Saving items...' status bar is visible at the bottom right of the dialog box.
