

Bringing knowledge to life: User Guide

Getting Started: Login to your account

The screenshot shows the 'Login' section with a 'Username' and 'Password' input field, a 'Remember me' checkbox, and 'Sign In' and 'Clear' buttons. Below this is a section for social media login with 'Sign in With' buttons for Facebook, Twitter, and LinkedIn. The 'Registration' section includes a 'Not yet registered?' heading, a list of benefits, and a 'Register' button. Three blue callout boxes with white text and lines pointing to the corresponding elements are present: 'Login if you are a registered user' points to the Sign In button; 'Sign in with social media account. Ability to sign in via personal social media account such as Twitter, LinkedIn and Facebook' points to the social media buttons; and 'Or click "Register" and create a new account' points to the Register button.

Search [Search tips](#)

The screenshot shows a search interface with a search bar and a 'Search' button. Below the search bar, there are two columns of results. The left column contains a list of search results for the query 'Asthma (all)'. The right column shows a detailed view for the book 'Acne and Its Therapy' by Guy F. Webster and Anthony V. Rawlings. The book details include the first edition, published in May 2007, with an ISBN of 9781420018417, 328 pages, a size of 6 x 9 in, and a hardcover format with 97 illustrations. There are also buttons for 'Book PDF', 'Book PDF Plus', 'Reprints', and 'Permissions'.

Article Formats

Each journal article is presented in full HTML text or PDF format. Users can view the Table of Contents and summaries prior to purchase to help review these resources.

The screenshot shows a journal article page with several key elements highlighted by blue callout boxes:

- Author and Contact Information:** Lucy Chipchase¹, Shelley Allen¹, Diann Eley², Lindy McAllister², Jenny Strong¹. Includes affiliations with the University of Queensland and contact email: l.chipchase@uq.edu.au.
- Format Selection:** A menu on the right allows users to select the article format: HTML (selected), PDF (97 KB), PDF Plus (98 KB), Reprints, and Permissions.
- Purchase Section:** A 'Purchase' box features a book cover for 'Journal of Interprofessional Care' and a 'Buy Now' button. Text states: 'Informa Healthcare offers a unique range of publishing formats.'
- Podcasts:** A 'Podcasts' section lists four JIC Podcasts: Jill Thistlethwaite Interview, Yoichi Nagai Interview, IPE Ontario Conference, and Scott Reeves Interview.
- Text Content:** The main body of text discusses clinical supervision models and interprofessional placements. Search terms are highlighted in blue within the text.
- Keywords:** A 'Keywords' section at the bottom lists: 'Interprofessional practice, qualitative method, work-based learning'.
- Image:** A photograph of a modern library or study area with curved wooden desks and bookshelves.

Available formats include HTML PDF and PDF Plus

Summary section is free and provide a brief description to content

Highlighted search terms provide a quick overview on article. Search terms are highlighted in the text, and the search window includes a hyperlinked list of matches.

Content delivery: Go mobile

Access Informa Healthcare content anytime, anywhere

- More users accessing data using mobile devices (average 20,000 visits/month for Mobile)
- Users can 'pair' device to institutional holdings
- IP Recognition: Process of validating a user by IP address while off site through proxy or VPN
- Make more connections with end users and maximize your usage

Pair your mobile device with institutional subscription

If you have a smartphone or a tablet, you can pair your mobile device with your institutional subscription to our site. It is quick and easy to use and will let you access our content anytime or anywhere.

AUTOMATIC OPTION

While using your institutional Wi-Fi connection, visit informahealthcare.com on your mobile device, tap the [Settings](#) icon, and select the [Device Pairing](#) option.

MANUAL OPTION

1. Login to your account on informahealthcare.com from any location within the designated IP range. (Please note, if you are a new user, you will need to register first.)
2. Click “[Obtain Pairing Code](#)”.
3. Visit the site on your mobile device, tap the [Settings](#) icon, and select the [Device Pairing](#) option.
4. Enter the pairing code and tap [Verify Code](#).

Once you have successfully paired your mobile device then start browsing our site, informahealthcare.com, to uncover the wealth of quality titles we offer.

Please note, your mobile device will be permanently linked with your account. It will also be paired with your organization for 30 days, after which you will need to pair your mobile device again.

We're constantly improving to deliver a better user experience

EASY TO USE SEARCH ENGINE

- Use the advanced search functionality to pinpoint specific content from the entire Informa Healthcare portfolio
- Browse more than 3.5 million pages of content
- Save searches and bookmark research
- Access via IP authentication, username and password, Athens or Shibboleth

DISCOVER RELATED CONTENT

- Navigate associated research with related chapter and author suggestions
- Search tables of contents, abstracts and editorial affiliation for free

eALERTS

- Receive email alerts, new tables of contents, article citations or special announcements from individual titles
- Subscribe to RSS feeds and be the first to know when new content is published

LINKS TO MORE RESOURCES

- Connect with a worldwide research community in your specialty area through dedicated blogs and social media groups
- Access supplementary video and audio content from selected journals and books

ONLINE SUPPORT

- Experience customer service excellence from our help desk specialists
